## **NICOLA CLAYSON WELCOMED BY HEART OF NORFOLK CHURCHES**

"It's incredibly exciting to be involved from the very start of something so new and vitally important as the Heart of Norfolk Benefice", said administrator Nicola Clayson. Gradually visiting each parish, Nicola added "And everyone is being so welcoming too".

Exciting times at home as well. Having moved from East Sussex to Norfolk less than a year ago, Nicola now lives with her new puppy Ludo in Twyford - the smallest parish of our Benefice. Her many happy holidays in our county persuaded Nicola to make her home here.

Nicola's career takes in the old MAFF, the International Cocoa Organisation and Food from Britain. Training as a riding instructor was a definite change of tack (pun intended!). That was before she joined the East Sussex Library Service. So perhaps it comes as no surprise that Nicola's interests include horse riding and book collecting.

Ludo loves walking the Norfolk beaches and countryside but Nicola still has enough time to garden, play golf, browse antique fairs and follow Harlequins RFU!
